The metal roof workers say it should take a week on each side, so the project should be complete in two weeks.

The Ascension of the Lord Exalted in Glory

All three readings talk about Jesus being taken up into heaven or in a cloud or on high. These descriptions of the ascension actually tell us that Jesus is

reunited with his Father and exalted in glory with the Father. Jesus not only has a new life that cannot be ended by death, he also is no longer limited by time or space as he was before he died. So what does that mean for us?

Because he is not limited, he can be with us everywhere. Through his Spirit, he gives us the power and the courage to act as Jesus and the vision of faith so see Jesus in others. Now this takes some practice. One way we learn is through the lives of the saints. We see how God works through them to do great things. We learn that they become more and more like Jesus, in how they treat others with love and respect.

But if the saints seem too distant, we can look at someone we love. Whether it is a parent, spouse, brother, sister or friend, the good that they do and the love they show is from God. So we can learn about God's love for us by letting ourselves be loved by another.

The other side of the coin is seeing Jesus in ourselves. We may have to forgive ourselves for the bad choices we have made in the past, or the bad habits we still have. We also have to accept that God really does love us as his children. And we have to accept that sometimes, even when we do our best, we still seem to fail. But the God who brings life out of death also brings success out of failure. So trust his promise that we have Jesus in us. Then do your best to follow Jesus and you may lead someone else to him.

PRO-LIFE NEWS: The Pro-Life Project, which has both practical and spiritual benefits for mothers and infants, requires minimal time, effort and expense but gives the opportunity to take a positive step in the fight against abortion. To find out how to support Pro-Life, pick up a pink or blue paper in the back of church. Together, we can make a difference.

Catholics Come Home®

The recent successful *Catholics Come Home*® initiative increased Mass attendance by 8.3% (approximately 37,000 individuals) in the Archdiocese of St. Louis. In an effort to inspire all of us to witness to our Catholic faith and gain a greater appreciation for the gift of our faith, the Archdiocese is planning to share stories from individuals who have recently *come home* to the Catholic Church. **If you know one of these individuals willing to share his or her story, please contact Seth Jansen at 314.792.7178 or sethjansen@archstl.org.**

Please pray for the success of this evangelization effort. Thank you.

OFFICE OF THE ARCHBISHOP
 May 13, 2012

Dear Parishioner,

The United States Conference of Catholic Bishops (USCCB) established the Catholic Communication Campaign collection in 1979 to respond to the national and local communications needs of the Church. The collection is unique in that its proceeds are split equally between each participating diocese and the national office.

The Archdiocese of St. Louis uses its 50% share to support local communication efforts such as the TV Mass for the homebound, funding operation of the archdiocesan websites, ongoing development of social media and evolving online communication tools, monitoring the coverage of the secular media, supplementary support for the archdiocesan publications, the St. Louis Review and Catholic St. Louis, and providing grants to agencies in need of support with their communication efforts. Through additional support, the archdiocese has an opportunity to further develop new media efforts, enhance multi-media exposure of the archdiocese, support additional marketing and mission awareness of the local Church and establish an archdiocesan Communications Advisory Board.

On a national level, these funds support the development and production of a wide range of media initiatives that are carried out by the USCCB. From podcasts of the Daily Readings from the New American Bible to television specials seen on national networks and public service messages seen by millions of Americans, the Catholic Communication Campaign is how the Good News gets around! Also, a portion of the funds are set aside for grants to aid Catholic communication efforts in developing nations. I recognize this is but one of numerous worthy causes in need of support and that many in our own community face financial difficulties, but any support you can offer to help proclaim the Gospel message of Jesus Christ is greatly appreciated. Please consider supporting the Catholic Communication Campaign on the weekend of May 19-20, 2012.

Sincerely yours in Christ,

Most Reverend Robert J. Carlson
 Archbishop of St. Louis

Ascension of Our Lord

“This Jesus who has been taken up from you into heaven will return in the same way as you have seen him going into heaven.” - ACTS 1:11

How strong is your faith? Do you believe that Jesus will return? In the Gospel Jesus tells us that He will return and when He does He will separate us into sheep and goats, depending on how much we used our blessings to help those in need. So how strong is your faith? The answer can be found in how much you give.

Quilts of Valor will meet on Wednesday, May 23rd, at Charette Baptist Church, Hwy O Marthasville, Mo. from 8 a.m. to 3 p.m. Lunch provided. Contact Jean @ 636-456-3980 for more info.
